

FIRST ANNUAL

# Run the Runway + Mutt Strut 5K

Saturday, April 19, 2025

The City of Albuquerque Aviation Department is organizing our very first 5k Fun Run that will be happening on the Double Eagle II Airport runway, Saturday, April 19, 2025!

**It is both a fundraiser** for CABQ Animal Welfare and the Experimental Aviation Association's (EAA) Young Eagles (future pilots and aviators) **and a fun run** to help bring awareness to our city's general aviation airport on the westside.

**Participants can run or walk the runway course** (it will be shut down to air traffic during this time), and there will be a **"Mutt Strut" after the first race for humans to walk alongside their pooches!** Or, you can "borrow" a pup from CABQ Animal Welfare - there will be dogs there ready for adoption. And there will even be a **tag machine on-site** giving out free pet tags with no limit!

**We would love it if you could join us!** Registration will start at 10am that morning and the race begins at 11am.

**There will also be food trucks and music and an awards ceremony** after the event!

People can sign up online **RIGHT NOW** via this link so please share it to friends and to your socials: <https://www.abqsunport.com/runtherunway/>
